Herrick Memorial Library has COVID-19 at-home test kits

6/8/2022

Do not enter the building to request a kit. Kits are only available by Curbside pick-up and may be requested by calling 440-647-2120.

- Contact-free distribution will be arranged through curbside service.
- Rapid tests are not returned to the library.
- Patrons experiencing Covid-19 symptoms or are in contact with someone with Covid-19 symptoms are NOT to enter the library.

Test users should read all included instructions before administering the test. Test types may vary and may not always be proctored via telemedicine. Paper instructions will accompany proctored tests.

The Rapid Covid-19 Antigen At-Home Test Kit is provided in partnership with the State of Ohio. According to the Lorain County Health Department, the tests are intended for people experiencing symptoms. Rapid tests are highly effective in diagnosing Covid-19 when symptoms are present. The tests are not recommended for people who do not have symptoms.
